Agroecology Learning Journey

Phase 3: How do we foster an enabling environment for the agroecological transition? Join the Sufosec learning journey with partners in the Global South

Online | October 17, 2023

09h00 – 11h00 Bern (CEST) | 15h00 – 17h00 Manila (GMT+8)

How do we foster an enabling environment for the agroecological transition?

We would like to invite you to the third online event of the Agroecology learning journey of the [Sufosec Alliance](#), which will **discuss mechanisms and approaches that favour sustainable food system changes at policy and market system levels** for a successful implementation of agroecological practices.

This will be a participatory workshop, in which we co-create knowledge and learn from successful examples. We look forward to you joining and sharing your inputs with us!

The workshop is part of the [Agroecology Days](#), which are hosted by [Agroecology Works!](#)

Language

The event will be held in English. The [Spanish](#) and [French](#) editions of this workshop will take place on October 3 (15h00 CEST) and October 24 (13h00 CEST), respectively.

Registration

Please make sure to [register here](#).

After registering, you will receive a confirmation email from Zoom with the link to join the meeting. If do not find it, kindly check your Junk/Spam box.

Agenda

Time	Activity
15 min	Welcome and overview by the Sufosec Alliance: Critical success factors to foster the agroecological transition during the early stages and on systems level
15 min	Case study: Agroecological understanding, practice and advocacy – Insights from Fastenaktion’s experiences in South Africa , by Mervyn Abrahams, Fastenaktion Coordinator South Africa
70 min	Group work: Elements and mechanisms to foster food systems transformation based on the 10 elements of agroecology
20 min	Key messages and take-aways by Bruce Campbell, SDC’s focal point of the Agricultural and Food Systems Network and by participants
